NEW MEMBER UPDATE

We don't HAVE any new members to report this time..

Let's try to do better next month.

AIR RACES REPORT:

The Air Races were A BIG SUCCESS. We had many volunteers for the five days we were there. We won't try to name them, you know who you are. The Detachment thanks you. Semper Fi! All of the workers wore covers or caps with the MCL logo plus we had the Marine Corps flag flying the last two days. Everyone knew the Marines had landed. We had a tip jar for the devil pup fund and the exact amount is not know at this time but it will be close to \$200. Well done MARINES.

NOMINATION OF OFFICERS:

We will hold Nomination of Officers at the October meeting. The four to be elected are Commandant, Sr. V. Commandant, Jr. V. Commandant and Judge Advocate. This is probably the most important meeting of the year for without qualified leadership our Detachment will go nowhere! So think of those persons you would like to have as leaders for the coming year, and please don't forget yourself - if you are able to hold one of the above offices.

ELECTION OF OFFICERS;

Our election of officers will be held at the November meeting. And we are planning a party for our installation of Officers/Holiday Celebration. See the full details elsewhere in this newsletter.

LET'S CELEBRATE:

We have new Officers to be installed into office, and the Marine Corps will be another year older, plus there is Thanksgiving, Christmas and New Years! If you have a birthday, let us know and we will toss that into the mix as well. But for now, this looks like quite enough. At our December meeting there will be no business held. Instead we will have the Installation Ceremony followed by dinner - and we want all members and their families to attend. More details on this in the next newsletter.

SICK REPORT

The only illness we have to report is Dale Gardner's wife, Lena. Our prayers are with Dale and Lena.

VAVS; the following Marines were absent from the September meeting. Ron Hill is now the VA Rep for our detachment and Bill Thompson is his deputy. It doesn't pay to miss meetings. You have to be there to defend yourself.

NEXT MEETING TUESDAY OCT 5 AT THE VFW, 1930
