### **DEPARTMENT CONVENTION 2001:**

The convention will be held May 18 and 19th, at the Silver Club in Sparks. We will have a hospitality room, lovely meeting room, and arrangements have been made for a terrific banquet: all the parts of a great convention. We are going to need a lot of volunteer help from all of the northern detachments to make this a success. We also expect to have a program book, so start thinking of all the businesses you know who might take an ad, not to mention the people who will surely want to buy the business card 'good luck and best wishes' ads.

A lot of our success too will depend upon how many people stay at the convention hotel, so please start putting away a few \$\$ now so that you can join us at the hotel for all of the fun. Nice benefit: you can have a couple of your favorite libation, and not worry about getting to your bed in a safe and timely manner!
