Of note, George gave thanks to Richard, Ken, Marcelino, John, and Cindy for support and participation in the Reno Air Races. \$1200 was brought into the detachment thanks to their dedication; this does not include the tips mentioned previously.

George and Norman brought up the need for the detachment's bylaws to be read and put up for a vote. A vote to accept the new bylaws will take place at the January Meeting. Notable changes discussed were the idea of changing the meeting time and date of the league, as well as options that will refine the scope of the positions.

The detachment did not participate in the December Gun Show. We will explore the option for February.
